

OSKRON

LOOKBOOK

A thick, dark grey vertical bar on the left side of the slide.

# TIME DOESN'T HAS TO BE COMPLICATED

Bring order into the chaotic daily battle for your attention. You decide what information you want to receive through a gentle vibration on your wrist. No matter if messages, calls, mails or notifications that are important to you. You are the boss.

Two vertical bars on the right side of the slide: a thick orange bar and a thinner grey bar.

# TIME IS PERFECTION

The line between connectedness and distraction is narrow. Oskron Gear leaves it up to you to decide which people or messages you want to be notified by.

Stay on top of our networked world with all your emails, messages and calls. At the touch of a button, Oskron Gear gives you the ability to reject calls and set notifications aside.
